DOWNLOAD: A: RarForge.com can be used for decompressing rar archives. In your case you will need to install rar: The direct download link is here (free) After installation find Fusion files by running the following command in a terminal: find /usr/share/ -iname "fusion*" -print It can be located in: /usr/share/Fusion360/designer/design_trial Inside the folder you can find the.rar files. You can run it using the following command in a terminal: sudo rar -xvf designer*.rar I hope this helps! Q: Get Percentage from Apple Report I'm using this code to get the total number of calls made with Xcode 5. Now I need to get a percentage of calls per date. Any idea how I can do this? (like ios 6 needs :-/) @IBAction func callButton(sender: AnyObject) { if((currentDate)!= (phoneDate)) { let date : NSDate! = currentDate let ref = FIRDatabaseReference() let ref = ref.child("calls") let query = ref.queryOrderedByValue() query.queryLimitedToFirst(1) .observeSingleEventOfType(.Value, withBlock: { (snapshot) in let list: [AnyObject]! = snapshot.children for child in list { if let dictionary = child as? [String: AnyObject] { if let date = dictionary["date"] as? String { if date == phoneDate {
